

Thank you for your interest in Stay Informed Studios.

Capabilities

Stay Informed acts as your small, independent video production resource with the flexibility to work within the parameters of your specific video needs and shooting style. My creative fee includes a standard production package that is simple and allows me to shoot in both Standard and High Definition video.

Production Package

Panasonic HVX200 camera

Arri Lighting Kit with softboxes

Sennheiser shotgun mic

Sony lavalier

Vinten Tripod

(Any additional equipment not listed may require additional fees and can be requested on an as needed basis)

Post-Production Package

Final Cut Pro Studio Editing Suites

Adobe Creative Suite for compositing, motion design, and output

Telestream Episode Pro Encoding Software
